ADOPT A TREE

Check it out! We have new trees in the tree pits along the sidewalk on Walnut Street by our property. They were given to us at no cost and were planted by 12 wonderful staff and volunteers from the Pennsylvania Horticultural Society on Saturday, April 21, 2018 as part of their Plant One Million project. It took them two hours to dig out and clear the tree pits to prepare for the planting of the new trees. We are now charged with caring for them. The first two years are the most critical, so we are accepting names of families and individuals who would like to be a part of God's ongoing Creation. You will receive training (takes a few minutes) and supplies (kept at the church). Your time commitment for next year is **one hour, once a week**. You can care for your tree during office hours, Saturday Trinity Central hours or Sunday mornings March through November. You just show up and water.

If you don't have a spare hour each week to give or split time with another family, then please consider giving a donation to the project. While the trees and the labor to plant the trees were free, we would like to install a short fence around the perimeter of each tree pit to ensure the roots have a chance to settle in. We want our trees to give back to our neighborhood with shade, oxygen, and much more! Beauty is a silent healer.

Be a part of this project by making a donation. Each tree pit fence costs about \$100. Watering cans and supplies another \$100. You do not have to donate \$100, any donation would be appreciated.

Donations received so far: Ben Larriccia, Sondra Bergey, Karen Koziara.

Please call Margaret DiPinto or Carol Ruddick to sign up to water a tree or to make a donation - 215-567-1267. Thank you so much for caring!
